Frank:

Pleased to learn (from your column in the September 2022 *BLHS Bulletin*) of your visit to Carbondale on July 22, and VERY PLEASED to learn your positive response to D&H Caboose No. 35964 by City Hall and to Gravity Park (".....where the D&H Monument continues to shine.")

Those two sites, plus the former D&H Office Building (now Ben-Mar Restaurant) and the First Deep Underground Mine site (near the 7th Avenue rail crossing) are must-see D&H sites in Carbondale.

In addition, we have a very nice local history museum on the third floor (there's an elevator) of Carbondale City Hall (three exhibition galleries, two of which are full of D&H and railroad artifacts/displays). We'd be pleased to show you our collection. Let us know (570-282-0385 or srp18407@gmail.com) if you would like to visit our museum some time. We'd be happy to show you around.

Thanks.

Robert
